LOGICHE

An architectural site plan showing a proposed building footprint outlined in black. The footprint is irregular, following the shape of an existing building. Inside this footprint, there is a green area with a hexagonal pattern, representing a proposed green roof or landscape feature. A red dashed line follows the outer edge of the green area. The surrounding area consists of a grid of white rectangles representing other buildings or property boundaries. In the bottom left corner, there is a small circular stamp with handwritten text in red ink: "dinvio con le motivazioni a verdata" and "Il Segretario della Commissione Edilizia".
